TITLE VI--GENERAL PROVISIONS

DEPARTMENTS, AGENCIES, AND CORPORATIONS

Sec. 647. The conferees agree to a new provision regarding pay for Federal employees. The conferees anticipate that the President will issue an Executive Order allocating the 3.6 percent pay increase between an increase in rates of basic pay for the statutory pay systems under section 5303 of title 5, United States Code, and increases in comparability-based locality payments for General Schedule employees under section 5304. The conferees have not made the language more specific so that the President may exercise his discretion to distribute any amount allocated for comparability-based locality payments in the most appropriate fashion among the pay localities established by the President's Pay Agent.
